

PARK HERE ANY TIME

GRAND PARK SUMMER 2013

It's true. Summer is what Angelenos do best. Whether with family or friends, celebrating or relaxing, we create our own rollicking good time. This summer, let Grand Park provide the space to sprawl out, stretch out, or splash around with live music, kids' activities, movie screenings, a 4th of July block party and much more!

Es cierto. Angelinos aprovechan el verano al máximo. Ya sea en familia o amigos, celebrando o relajando, creamos maneras de pasar ratos alegres y divertidos. Este verano, deje que Grand Park sea su espacio para disfrutar música en vivo, actividades para niños, proyecciones de películas, una gran fiesta para el 4 de julio y mucho más!
